# Delay Retarder Additive

**Elephant Armor® DELAY is a retarder additive for use with Elephant Armor® Cementitious products to increase working time.**

**DIRECTIONS FOR USE:**

Dissolve DELAY into mixing water.

Each ounce of Delay per 50lbs of Elephant Armor®, will extend desired set time by approximately 10-15 minutes.

Do not exceed 4 ounces per 50 lbs.

*Note: Elephant Armor® Delay extends application time but will make the mix less workable.*

This product is made from the finest raw materials available and manufactured to proven formulation under strict quality control for its intended use. However, results obtained with the use of this product under a variety of conditions may depend on circumstances beyond our control.

GST International, Inc. (including the seller thereof) warrants only that its products will be free from defects in materials. GST International, Inc.'s (including the seller thereof) sole obligation, and the purchaser's (including the person using or benefiting from its use) sole and exclusive remedy in the event of a defect covered by the foregoing warranty, shall be, at GST International, Inc.'s discretion, to (a) replace the defective product, or (b) refund to the purchaser the purchase price paid for such defective product. There are no warranties other than the limited express warranty provided above. In no event shall GST International, Inc. (or the seller of its products) be liable for incidental or consequential damages resulting or arising from the use of its products.
